

## **EXPRESSION OF INTEREST (EOI) FOR THE PROVISION OF CONSOLIDATION SERVICES**

Gaborone Container Terminal PTY(LTD) T/A GABCON intends to participate in the regional business segment through the consolidation and de-consolidation models in Botswana and South Africa. The model should be done in GABCON and the South African major cities e.g Johannesburg and Durban. This may include the groupage services in both countries where less-than-container load can be handled and transported to and from Botswana through road and rail, on behalf of customers.

GABCON therefore invites reputable companies to express interest for the provision of Consolidation & deconsolidation services between Botswana and South Africa on behalf of GABCON or in partnership with GABCON. Where possible, the project should cover Palapye as well since GABCON has another facility there.
