Dear Valued Customer

RE: TARIFFS / RATES REVIEW 2024/25

This communication is a follow up to our letter dated 11 March 2024 regarding GABCON rates review. kindly be advised of an increase in GABCON rates of 8% that will effect on the 01 April 2024, on all services.

This increase is mainly due to the inflationary trends, among others. Also note that during the increase in fuel prices, in a case where there is a fuel escalation exceeding 50 thebe per/litre during the course of the year, GABCON shall revise the rates to accommodate this additional cost. The increase shall be in the range of 0-5%, depending on the national fuel price increase.

I take this opportunity to thank you for your valued support. The new tariffs are ready for collection at our customer service office, payment office and also on our website: [www.gabcon.co.bw](http://www.gabcon.co.bw).

Yours Faithfully,

Mrs. Lesedi Moakofhi
